

Appl. No. : 10/523,466
Filing Date : October 13, 2005

REMARKS

Claims 1 and 3 have been allowed. Claims 4-10 and 13-29 have been canceled. Thus, claims 1 and 3 are now pending in the present application. In the Advisory Action, the Examiner stated the claims 1 and 3 would be allowable if submitted in a separate, timely filed amendment canceling the non-allowable claims. Although Applicants do not agree with the Examiner's allegation that claims 8-10 lack enablement, these claims have been canceled solely to expedite allowance of the composition claims, thus rendering the enablement rejection moot. In addition, claim 21, which depends on claim 8, has also been canceled. Thus, Applicants submit that the application is now in condition for allowance.

If any minor matters remain that could be resolved by teleconference, the Examiner is invited to contact the undersigned at the telephone number provided below. Please charge any additional fees, including any fees for extensions of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
